

2HP POWER

- Portable 2hp power module with dual passive mults – for compact cases
- 12-20V DC (2.1 or 2.5mm / 5.5 mm DC barrel, PSU not included)
- Delivers up to 1A from +12V,
- Delivers up to 650mA from -12V via flying busboard

Depth: 42mm (with plugged ribbon cable)

Included flying ribbon cable busboard: approx. 40 cm
 Number of female sockets (to the bus): 2
 Number of male (bus) sockets to power modules: 5

CONNECTING THE RIBBONS

WARRANTY

RTFM – be so kind and read the manual. It will provide you with the information you need to fully indulge the module you just purchased – for which we like to thank you.

Enjoy your sound experiences, dear sonic traveller.

Beginning from the product's purchase date a 1-year warranty is guaranteed for each product in case of any manufacturing errors or other functional deficiencies during runtime.

The warranty does not apply in case of:

- damage caused by misuse
- mechanical damage arising from careless treatment (dropping, vigorous shaking, mishandling, etc.)
- damage caused by liquids or powders penetrating the device
- heat damage caused by overexposure to sunlight or heating
- electric damage caused by improper connecting

The warranty covers replacement or repair, as decided by us. Please contact us via email for a return authorization before sending anything. Shipping costs of sending a module back for servicing is paid by the customer.

Device complies with all EU regulations concerning RoHS lead-free manufacturing and WEEE disposal

Endorphin.es are made in Barcelona, Spain

POWERING THE MODULE
